Dominic Reymar D. Gunio

dominicgunio29@gmail.com   +63 927 813 5650   Santa Rosa City, Laguna   [LinkedIn]

A self-taught programmer, flexible and self-motivated Computer Science graduate with a solid foundation in software development, problem-solving, and analytical thinking. Eager to apply technical skills and a proactive mindset to contribute to a dynamic and growth-oriented organization.

WORK EXPERIENCE

ICT Services Central - Batangas State University - *Full Stack Developer Intern*
June 2024 - July 2024   Batangas City, Batangas

- Created a prototype cross-platform website of an OJT Portal with co-interns using PHP and Laravel for web development and PostgreSQL for the database.
- Collaborated with Senior Developers in ICT Services about implementing features and fixing bugs based on reviewing the project.
- Coordinated with Quality Assurance interns on improving features.
- Created a fill-out form using HTML/CSS.

PROJECTS

Portfolio Website - *Web Developer*

- Designed and developed a responsive personal portfolio using React.js and Tailwind CSS.
- Showcases projects, skills, and a downloadable resume with a clean and modern user interface.
- Deployed using Vite for fast build and optimized performance.

Unified Thesis Management System - *Frontend Developer, Backend Contributor*

- Designed and built responsive interfaces using React and SCSS to streamline thesis workflow management.
- Developed role-based views for students, advisers, and panel members.
- Collaborated on features like submission tracking, defense scheduling, and role-based access.
- Ensured seamless experience through dynamic components and efficient state management.

LegalPal: Legal Solutions for Every Pal - *Mobile Application Developer*

- Developed a mobile app for legal support using Android Studio, Firebase, and Java.
- Built responsive UI with HTML, SCSS, and TypeScript.
- Collaborated on API integration for real-time legal service access and data handling.
- Integrated features like consultations, legal FAQs, and document uploads.
